Mission Projects at St. Mark

The 4th Quarter Mission Project focused on **Hurricane Ian** in Florida with \$1025.00 being sent to help.

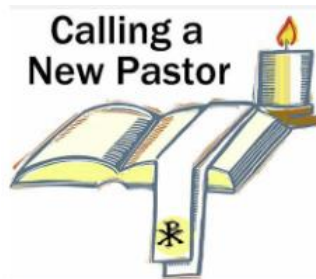

The first mission project of 2023 will be SOS in Milwaukee. SOS is an organization that offers after school projects, learning and activities for students after school hours.

**Help Wanted:
Serve the Lord with Gladness**

Volunteers are needed to serve on to different boards: **Board of Elders** are recruiting 2 more men to help with Elder duties, **Altar Guild** is looking for 1 or 2 more people to prepare communion and **Christian Care and Evangelism** needs help on their Boards. Call the church office or contact Pastor or Pat if you are able to help.

The Church Council will offer treats for the month of January. Join us immediately following church services in January for some tasty treats and good fellowship.

Call/Search Committee

The committee is recommending 3 potential pastoral candidates. Their profiles are available in the narthex and have been emailed to all congregation members who are able to receive email messages. An extensive biography of each candidate is available for your review but must be done at church only. If you would like to view that document, please call Pat and she will arrange a time for you to do so.

As you are probably aware, a Call Meeting will be held on Sunday, January 8 immediately following the service to vote on the most likely candidate and we are looking for a unanimous vote from the congregation. Please plan on attending this meeting and having your vote count.
